INTRODUCTION

General

This Price Catalogue lists the various Technical/Engineering Support Services provided by Bombardier Aerostructures and Engineering Services in support of products under the responsibility of the Belfast site (Short Brothers PLC).

Prices are in US Dollars and for your convenience the Price Catalogue has been arranged by Support Service for easy reference.

All prices quoted will remain valid for 90 days.

We reserve the right to modify price without notice.

Prices in this Price Catalogue are effective from 01 January 2020, and will remain firm until 31 December 2020.

Support Packages encompassing these various services can be established with operators and negotiated on an individual basis.
